The first weekend of the film is one of the biggest opening weekends for any Hindi film in recent times. by Jonathan Peter Wilkinson on September 13, 2018 What do you call a modern day Indophile who runs for President of the United States and then goes about deleting all trace of him from the Internet? He's an anomaly! In my thesis, I will run down the anomalies in a Presidential election, the Russian meddling in it, the electoral college, which is quickly becoming obsolete anyway, and more of a host of other bizarre cultural phenomena. I will challenge your political opinions to tell you what people today know that used to be universally agreed upon. This week I thought I would speak of those who are relatively new in this movement and the one who is not a modern day Indophile but has more in common with the Indophile than not. We see this all the time. On the list of common "Tea Party" claims, there is no mention of the student loan crisis. In fact, few mention it at all. This includes our good, old friend Ron Paul. A few years ago, I met a young woman who was raising money for Ron Paul. At the time, Ron was making an effort to reach younger people and was holding some "young people" events. I was skeptical.
